JOIN US TODAY!

Originally established as the Ontario chapter of the International Camaro Club (ICC) in 1988, the Ontario Camaro Club has been the province's premier Camaro enthusiast group for over 30 years. The OCC provides Camaro enthusiasts with an opportunity to make friends with other Camaro lovers and share that passion through a variety of events.

Once a year the OCC hosts the Ontario Camaro Nationals, Ontario's largest Camaro only show. This special event allows the Camaro faithful from across the province, country, and even from the United States to gather for a weekend celebration of Camaros of all generations, types and styles. The event routinely draws over 200 Camaros and features a variety of classes where participants can win show and shine awards. Once again, this year's show includes the 3rd ever Ontario GM Nationals being held in conjunction with the Camaro Nationals. The Ontario Camaro Club is very excited to be offering the only GM show in Ontario. If you would like to know more about this year's Nationals and what we have planned, please visit our Camaro Nationals website page.

The OCC is a registered non-profit organization, and we are proud to make a yearly donation to charities such as Diabetes Canada, Jump Start, Lindsay Lions Club, Kawartha Lakes Food Source, and Toy Mountain. Donations made to Diabetes Canada are made in memory of one of our founding members who suffered from the disease.

In addition to the Ontario Camaro Nationals, the OCC attends a variety of other events throughout the year as a club. You can find details of upcoming events on our events page or suggest a future event to the club's executive through the "contact us" page. We attend a number of car shows across the province and on occasion, some of our members will book track days together.

Throughout most of the year the OCC leadership hosts monthly meetings either virtually or at our partner sponsor locations. During these meetings the executive and members in attendance work together to plan future events. In person meetings often coincide with cruises (weather permitting) and social outings such as lunches. If you would like to know when and where our next meeting is, please check the events page or follow us on social media.

The OCC is a passionate group of Camaro fanatics from all walks of life. We are accepting of anyone who shares our passion for Camaros. Whether you're a show n' shine enthusiast who prides themselves on maintaining the cleanest all original Camaro, the track rat who loves pushing your modified Camaro to the limit on your track of choice, or anything in-between, we have a membership card waiting for you.

PRESIDENT'S MESSAGE

Welcome to the 2026 Ontario 36th Camaro Nationals & the 3rd Ontario GM Nationals! We are thrilled to be back in Lindsay and looking forward to seeing some the best Camaro's and GM vehicles. I want to personally thank everyone for joining us in what is sure to be a great show like no other in Ontario.

We are excited to have many of our sponsors with us today and I would like to extend a special thank you to all of them. Without our sponsors we could not host this event. Participants, please take the time to say thank you to our many sponsors and if you can support them with your business that is even better. It gets harder each year to obtain & retain sponsorship. We are truly grateful for the wonderful sponsors we have so please keep them in mind during your future purchases.

The executive team would like to thank each participant for bringing their ride to our show. You make this event what it is. We are looking forward to seeing all the originals and customs and having the opportunity to chat with people. We hope you all enjoy the day, and if you have any questions, please reach out to us at the registration booth located inside the door of the main building.

Finally, as always, please remember, let's keep our event safe for everyone's enjoyment. There are lots of fast cars out there this weekend, so please **NO burnouts or dangerous driving**. Reduce your speed in the parking lot, show area, and city streets. Wear your seat belts. **And please do not drink and drive.**
